3. Critical Interventions by Region

REGION: NCR (WPI: 0.315)

Metric	Score	Status
Coverage	0.19	STABLE
Mismatch	0.08	STABLE
Workload	1.00	CRITICAL
Distance	0.67	CRITICAL
Recency	0.35	STABLE

Impact-Weighted Recommendation: High Instructional Burden: Teacher-to-student ratio is elevated (46.2:1). Consider 'Blended Learning Assessment' modules to optimize teacher time.

REGION: Region IV-A (WPI: 0.253)

Metric	Score	Status
Coverage	0.27	STABLE
Mismatch	0.07	STABLE
Workload	0.56	STABLE
Distance	0.63	CRITICAL
Recency	0.42	STABLE

Impact-Weighted Recommendation: Skill Stagnation: Significant portion of workforce hasn't been trained in 3+ years. Schedule refresher workshops for 'Inquiry-based Science' and 'Modern Math Strategies'.

REGION: Region V (WPI: 0.469)

Metric	Score	Status
Coverage	0.56	STABLE
Mismatch	0.48	STABLE
Workload	0.57	STABLE
Distance	0.67	CRITICAL
Recency	0.67	CRITICAL

Impact-Weighted Recommendation: Critical Coverage Gap: Over 55% of teachers in Region V have NO STAR training. Prioritize basic capacity-building modules immediately.

REGION: Region VI (WPI: 0.222)

Metric	Score	Status
Coverage	0.18	STABLE
Mismatch	0.10	STABLE
Workload	0.55	STABLE
Distance	0.60	STABLE
Recency	0.42	STABLE

Impact-Weighted Recommendation: Skill Stagnation: Significant portion of workforce hasn't been trained in 3+ years. Schedule refresher workshops for 'Inquiry-based Science' and 'Modern Math Strategies'.

REGION: Region VIII (WPI: 0.518)

Metric	Score	Status
Coverage	0.75	CRITICAL
Mismatch	0.42	STABLE
Workload	0.56	STABLE
Distance	0.71	CRITICAL
Recency	0.83	CRITICAL

Impact-Weighted Recommendation: Critical Coverage Gap: Over 75% of teachers in Region VIII have NO STAR training. Prioritize basic capacity-building modules immediately.

4. Strategic Recommendations

- Digital Transformation: Shift remote regions (High Distance Score) to asynchronous blended modules.
- Retention & Recency: Mandatory refresher cycles every 3 years for regions with Recency Score > 0.4.
- Workload Balancing: Deploy teaching assistants or assessment-reduction modules in high S/T regions.
- Subject Alignment: Targeted recruitment/retraining for regions emphasizing Physics and Chemistry shortages.
